

BIKE OPTIONS IN BORDEAUX

The high quality, lightweight Hybrid bike is the default bike included in all our regular tours. With flat handlebars, lighter and with slightly thinner tires than a mountain bike, and comfortable position for touring, it is perfectly suited to the rides and terrain on your trip.

Upon request, you can have a road bike or an electric bike for a supplement – contact us for details

HYBRID

ROAD

E-BIKE

All our hybrid bikes come equipped with:

Removable handle bar bag with clear map case, pump, flat tire kit (with extra inner tube), pump, lock, rear rack and panniers (1 set per couple) water bottle holder and water bottle, odometer, bell and kickstand.
